January 1, 2021

SNA Scholarship Applications are due by February 28th, 2021

Nearly all monies collected by SNA go towards scholarships to Seaside area high school Seniors who are pursuing post-high school education.

Students at South High do not need to fill out an SNA scholarship application, as their Counselor will forward their Local Scholarship App to our Scholarship Selection Committee. Students from all other high schools may mail or drop off their application to Tricia Blanco, 22621 Gaycrest Ave., Torrance, Ca. 90505. The deadline is February 28th, 2021. HLC representatives to recap 2020 Lights Displays with City

Residents observed that this year there were many fewer walkers than usual viewing the lights, and many more cars. This may be because of proactive social distancing actions, such as some 'landmark' homeowners choosing not to decorate; fewer residents than usual selling food out of their driveways; and SNA posting County health warning signs throughout the area.

With more cars came more traffic issues. Before the **Holiday Lights Committee (HLC)** reviews the 2020 lights displays with the City on Jan. 27, 2021, it hopes to collect the observations of residents on affected streets about how the traffic situation in the area impacted them.

Do you live in Sleepy Hollow proper or on an access street such as PV Blvd., Clearsite, north Linda Drive, Milne, Kathryn, or Bindewald?

If so, please share your thoughts on 2020 Holiday Lights traffic by sending chair Mike Short an email: mshort365@gmail.com, or write to seasideneighborhoodassociation@gmail.com

ALL interested residents are encouraged to be a part of the Holiday Lights Committee (HLC). Just ask Mike or SNA to put you on the HLC mailing list. During 2021, HLC intends to push for a parking permit system, plus review emergency access, trash and vending issues.
